The Callanish Tartan

“Behold The Callanish”™

- Scotland’s Tribute to Love.

Callanish - A Love Woven in Time.

The Callanish Tartan is the world’s most iconic Scottish wedding tartan.

A stunning blend of heritage and romance.

Worn by brides and grooms together, it celebrates love, fidelity, and the sacred energy of the ancient and legendary Callanish Standing Stones on The Isle of Lewis, erected nearly 5,000 years ago.

Inspired by Queen Victoria and the regal history of tartan, The Callanish Wedding Outfit honours Scotland’s royal connections from Prince Albert’s Balmoral Tartan of 1853, to the national revival led by King George IV and Sir Walter Scott in 1822. Commissioned by Queen Elizabeth II in 2010 and endorsed by King Charles III in 2025 and the Prince and Princess of Wales, it is Scotland’s first ever registered An Clo Mor tartan. (Harris Tweed)

The beautiful colours reflect the landscape: stone greys and oatmeal of The Callanish Stones, mossy greens and lichens, shadowy sultry greys cast by the full Moon, and a passionate rufous red, a tribute to Burns ‘My Love is Like A Red Red Rose’, penned in 1794. Legends speak of giants turned to stone and a midsummer ‘shining one’ walking the stone avenue at dawn, stories of magic, mystery, and enduring love.

Handcrafted in Scotland using traditional techniques and sustainable, recyclable materials, each piece is made to fit beautifully, in both body and in spirit.

Behold the legend of Callanish - a celebration of love, heritage and of timeless romance.

Popular Reasons for wearing a Kilt or Highlandwear outfit

A Kilt today is a highly adaptable piece of clothing and can be worn fully dressed with one of our many jacket styles or casually with a pullover or casual shirt. A Kilt is a popular garment for any occasion. A Kilt can be worn at a whole host of functions, such as Weddings, Dinners, Balls, Ceilidhs, Dances, Burns Suppers, Christenings, Graduations, Highland Games, Business trips or even on that Holiday Cruise that you have been promising yourself. A Kilt also makes a great gift, for example on an anniversary or on an 18th or 21st Birthday or a surprise present. They are also great to wear to sporting events to show loyalty to your country, for example at rugby or football events. We reckon that once a customer has a Kilt they will wear it between

6 and 12 times a year. The most we have heard a customer wear his Kilt is 30 times in one year, other customers wear Kilts everyday. If you lose or put on weight a Kilt can be easily adjusted. Younger customers prefer to have their Kilt cut for growth, so that it can be easily adjusted in later years. The Service is unique to Houstons and we must be advised at the time of measuring the customer as we only do this service if requested. We can also teflon coat Kilts to make them stain resistant. This service, exclusive to Houstons, again must be requested before we make the Kilt. With Houstons Guarantee of Satisfaction if you require after care we are only too pleased to assist our customers. We find customers saying they are buying a Kilt for life and go for best quality cloth, usually Heavy Weight and get the best super finish Kilt as this will last a life time. As you can see customers today are buying Kilts for a wide variety of purposes which is great to preserve the Scottish tradition. A Highlandwear Outfit never falls out of fashion and will last a lifetime. It is a once in a lifetime purchase which can be worn with a real feeling of pride not just in Scotland but anywhere in the World it will gain admiration wherever it is worn.

Houston Traditional Kiltmakers

67 High Street, Paisley

PA1 2AY

0141 889 4879 / shop@kiltmakers.com

Open Monday to Saturday, 9am-5.30pm

MAIN POINTS ON HIRING OR BUYING A KILT PACK

1. **KILT** Best with a full 8 yard 16oz heavy weight kilt, as it sits, swings, hangs and looks a million times better than a 13oz medium weight kilt and it is **not any warmer, it is the weight of the jacket that makes the heat build up**. It is preferable to have a stain proofed kilt which is also beer proof.
2. **JACKET** Houstons have a super light weight well cut comfortable range of jackets compared to most jackets which are bulky heavy, boxy and not very comfortable to wear, as well as usually being far too warm to wear.
3. **SPORRANS** Seal skin, raccoon, nutra, grey mink are the best looking and wearing sporrans compared to most hire shops which are now having to use bovine, pony or rabbit or some imported sporrans which are not great looking.
4. **ASK ABOUT AGE OF HIRE STOCK**
5. **HOUSTON HIRE PACKS ARE ALL TOP QUALITY**
6. **HOUSTON KILTMAKERS HIRES INCLUDE EVERYTHING YOU NEED FROM HEAD TO TOE INCLUDING SHIRT, CUFFLINKS, TIES, SOCKS, BELT & BUCKLE.** (Where most kilt shops you need to buy skirt, cufflinks, socks, even belt & buckle & you pay from £50 extra in other kilt hire shops).
7. **ALL KILT HIRES ARE READY 2 DAYS BEFORE YOUR FUNCTION DATE, WITH EXPERT FITTINGS IN THE SHOP AVAILABLE + ALL HIRES ARE DOUBLE CHECKED IN-STORE.**
8. **IF YOU NEED ANY CHANGE OVERS, WE HAVE ALL THE STOCK IN OUR SHOP STORE, WITH IN-HOUSE SEAMSTRESS 6 DAYS A WEEK. SO QUICK AND EASY CHANGE OVERS IF REQUIRED.** (Where most kilt hire shops don't have any stock on site - usually in a warehouse miles away. which you will have to return to their shop a few times to get sorted out).
